# 40,000 ITALIAN TROOPS SAIL ON 60 TRANSPORTS TO OCCUPY ALL TRIPOLI

Army Now Heading for Territory Seized from Turks.

ONE FORCE IS LANDED.

First Expeditionary Contingent Which Left Naples Last Week Now in Tobruck.

ROME, Oct. 10.-The first Italian exseditionary force which left Napies Det. 5 was landed at Tobruk, Tripolf, to-day. It consisted of infantry, artillory and a company of engineers.

The greater part of the Italian army expedition is now at sea en route for dermen, discussing the decision, said:
"It was a good thing and was to be depected. It is good to know that efforts to defeat popular elections have gained."

Tripoll. This was learned from messages in conventional language that escaped the censor. A big contingent comprising the largest part of the total railed." force sailed from Naples last night and another fleet of transports left Taranto at sunrise to day. Further troops will depart from Agosta to-night. These three groups will assemble as one east of Malta. Forty thousand soldlers on sixty, transports are said to be on their

The landing of a whole army corps n Tripoli is looked upon as one of the most difficult operations of the war despite the fact that little fear of an despite the fact that little fear of an attack by the enemy is entertained. Accordingly every precaution looking to the safety of the troops has been taken and the atrictest secrecy maintained even as to the number of transports employed, the hours of their sailing, and the identity of the warships escorting them. Any message directly or indirectly referring to the military opera-tions is forbidden transmission in any part of the country unless it has the anction of the official censor.

The battleship convoy covers a moving area one mile wide and five miles long. Within this square the troop-laden ves sels appear secure from any dange

long making. It is known that the general staff has made a study of the landing of the British troops at Ismalia, Egypt, in 1882, also of the American forces in Cuba in 1898, and of the Jap-anese in Corea in 1904, with a view to avoiding any mistakes that may have eep made at those times.

TURKEY SHUTS OUT ITALIANS.

CONSTANTINOPLE, Oct. 10.-At &

the bulk of the case against Hickey.
